The image shows a mobile application interface with a dark gray background. At the top, there is a header bar with the text "Header" and "GNB". Below the header, the main navigation bar has the title "내 업무" (My Work) and a menu icon. The main content area also features the title "내 업무". A breadcrumb navigation path "홈 > 내 업무" is visible. On the left side, there is a sidebar with a home icon and the text "내 업무". The right side of the screen contains a large modal dialog box. The dialog has a white background and a thin gray border. At the top of the dialog, there are several buttons: "전문가회원" (Professional Member), a red button labeled "반려" (Rejected), and a gray button labeled "반려 사유 보기" (View Rejection Reason). Below these buttons, the user information "김국민 | 한국제약회사" is displayed. A red circle with the number "1" is positioned to the left of the rejection reason button. The main content area of the dialog is titled "반려 사유" (Reason for Rejection) and contains the message "증빙서류 첨부파일이 열리지 않아 확인이 불가능합니다." (The attached file for proof cannot be opened, so confirmation is not possible). Below this message, it says "재신청을 원하시면 재신청하기 버튼을 클릭해서 1단계부터 다시 진행해주세요." (If you want to reapply, click the 'Reapply' button to start from step 1 again). To the right of the message area, there is a blue button labeled "재신청하기" (Reapply). At the bottom right of the dialog, there is a black button labeled "확인" (Confirm) with a red circle containing the number "2". The footer of the application contains the text "업무시스템 2" and three repeated entries: "OO 업무시스템", "OO 업무시스템", and "OO 업무시스템".

## Description

### 1. 반려 사유 팝업

#### 1-1. [Message - 반려 사유 메시지 노출]

- 관리자가 반려 사유 입력한 메시지 노출

#### 2. [Btn - 확인]

- 버튼 클릭 시 팝업창 닫힘
